ABOUT

An organised, passionate and ambitious self-taught **front end developer** who is able to work alongside other talented IT professionals in creating websites and web applications to the highest standards. I have the drive, conviction and energy needed to really make a difference to any project and add real commercial value within.

SKILLS

Html5/Semantic Markup	JavaScript (ES5/ES6+)
Responsive Web Design	React/Redux/Sagas
Css3/Flex-box	GIT/NPM
Sass/BEM	Webpack/Gulp
Bootstrap/jQuery	Asynchronous js
Command line	Babel/Linter
Cross-browser development	Jira/Kanban
Fundamentals:	NodeJS/Express Jest/MongoDb

KEY COMPETENCIES

Quickly fit into any existing team of developers

Adaptable and able to pick up new techniques

English, Russian, Ukrainian, Bulgarian speaker

COMMUNITY

FreeCodeCamp, Codecademy London, Front-End-Kent, Stack overflow.

I did my first tech talk in 2018 about Alexa Development and voice technology

EXPERIENCE
